

sisl::function

```
graph BT; A[sisl::test::test_window] --> B[sisl::function];
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'sisl::function'. The bottom box is gray with a black border and contains the text 'sisl::test::test\_window'. A blue arrow points vertically from the top center of the bottom box to the bottom center of the top box.

sisl::test::test\_window
